Our fees are competitive with other elite soccer clubs around Ohio. Team Ohio FC fees cover league and association fees, player registration fees, coaching and training expenses for Fall 2010 and Spring 2011 seasons, referee expenses, field development/maintenance expenses, and insurance. The fees do not include the following items: tournament application fees, indoor training, pre-season summer camp, uniform expenses, and player/family travel expenses. The tournament schedule and associated expenses will be announced at your team meeting in mid-June. The indoor training expenses will be announced during the fall season.

We offer a multi-player discount for families with more than one player in the program. Families with 2 players will get a 10% discount off the least expensive fees, and families with 3 players will have the youngest player play for free.

We may form some younger teams in the Juniors Program, and we may have parent-coached teams this year. The fees for those teams will be set once those teams are formed. The fees will be less than the fees for professionally-coached teams outlined above.

Fee payments are to be paid by **credit card**, and should be made online via the Team Ohio FC Web site, www.teamohiofc.com. This is a secure site and has all the same security measures used for online banking, purchases made from online merchants, etc. When you registered a player for tryouts, you should have received a registration confirmation and player ID number. You will use this information for future registration and fee payments. The fee payment schedule will be as follows:

- | | |
|--|--|
| • Initial Deposit of \$300.00: | Upon acceptance of the position (Early June) |
| • Final payment for U8 teams, \$200.00 | By August 1 |
| • Second payment for other teams (half of balance) | By August 1 |
| • Final payment for other teams (balance) | By October 1 |

Payment for uniforms will be payable by **check** (to Soccer Plus), and will be due in full at your team meeting in June.

Payment for Pre-season Camp (\$85.00) will be payable by **check** (to Team Ohio FC), and will be due in full at your team meeting in June.

Payments for tournament and winter indoor training expenses will be payable by **check** (to Team Ohio FC), and will be due in full by February 1.

Once a player has been offered and has accepted a position on a team, you will be asked to go to the Web site to register the player and to make an initial deposit by credit card. The registration process will not be considered complete until the deposit is paid. Failure to make the payment will result in the player not being placed on the team. The deposit is non-refundable unless the player is injured and unable to play, or unless the player moves out of the area.
