

Tips for Tryout Registration

Thank you for trying out with Team Ohio FC. To ensure tryouts run efficiently, we're pleased to offer you this online registration. Here are some tips to ensure you have a smooth registration process:

- Every family is considered a “new” family when they register a child for the first time.
- If you played for Team Ohio last year, please select the option, “I have registered at least one player this season already (or have attempted to register) and would like to login.” This also applies that those who registered for tryouts last year and didn't play for Team Ohio.
- After you register one child, if you'd like to register another, you can use the login information assigned from the initial registration.
- If your child accepts an offer to play on a team, you will use this login to register them for the upcoming season.
- In step 1 of the registration process, you'll see a section that says “choose program.” Please select “tryout.”
- **Please note there is no fee for trying out.**

Thanks for considering Team Ohio FC. If you have any difficulty registering, please email Missy Grether at kdgreth@aol.com
